

# Font licensing

By downloading and/or installing, copying or using a font designed by Rubén Prol, you do agree to the following user license:

You are allowed to use the font for any kind of design with personal or commercial purposes. Once the font is outlined in a drawing program, you can modify the letterforms but never modify the font itself or use it to create new fonts.

You are allowed to embed the font on editable documents.

You are not allowed to sell or redistribute this font.

You are not allowed to provide the font to clients or any other third party. They may purchase their own license.

You are not allowed to convert the font to any other font format.

Please, contact me at [aloha@rubenprol.com](mailto:aloha@rubenprol.com) for any doubt or problem.

Thank you.
